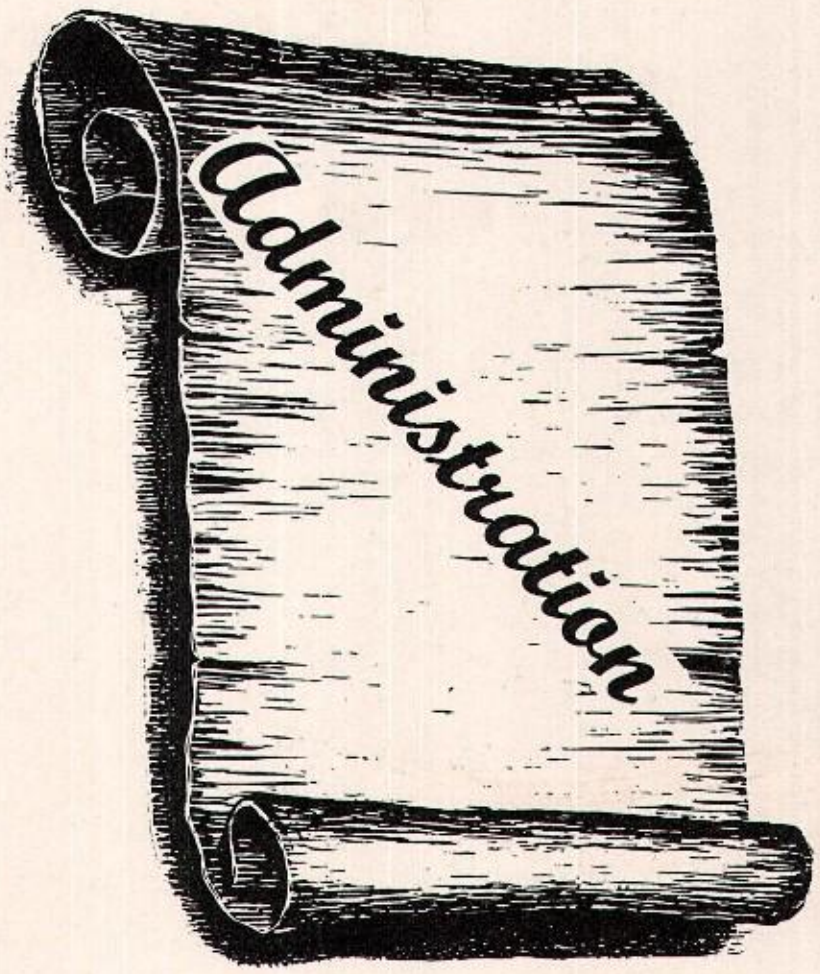
Dedication

To you, Mrs. Stites, in sincere appreciation for the loyal services and kindly guidance you have so gladly given us during our high school days, we, the Senior Class and Annual Staff, dedicate this PIRATE of 1953.

Oliver Hardin



The administration of Mulhall High School is under the supervision of Oliver Hardin, who is serving his second year in that capacity, He is assisted in his work by Mr. J. A. Stringer, as principal, who in turn is assisted by a wonderful group of teachers.

The fine administration of schools is made possible through the fine co-operation of parents, teachers, school board, and community.

It has been our aim in creating this 6th volume of the 1953 Pirate annual to portray the life and spirit of Mulhall High School for the year 1952-53 as we knew it. If in years to come this volume recalls pleasant reminiscences, the work of the staff will have realized its fullest reward.

CLASS HISTORY

Turning the pages of time back to '41-'42, we find thirty-one brightly washed faces slowly getting brighter as they enter the school. Of this group, only four have remained here and attended Mulhall High School all twelve years. These four are: Eugene Ritter, Donald Detwiler, Larry Clark, and Thelma Lowrie.

We gradually made our way through gradeschool with a lot of work and a heap of fun. We started our Freshman year with eight years of experience and twenty-two members. We had our sponsor, Mrs. Bowers. We held our class party, a skating party with the sophomore class at Crescent.

Our Sophomore year was very exciting. We had as our sponsor, Mrs. Swanson. During the year we had a one act play called "Pearls." For our class party we had a very rainy picnic held at Turkey Falls.

During our Junior year, we had a very busy year. We ran the kitchen at all home basketball games, sponsored the Saturday Night Show, and had as our play "Tomorrow Heaven." We also sponsored a Junior-Senior party which was held at the Still water Skating Rink. As our class party, we returned to Stillwater for another Skating party.

Our final year, our busiest, finally arrived and most of us were wondering what we would be doing one year from now. We ran the kitchen again this year and had three booths in the carnival here at Mulhall. We served for the Eastern Star Club, which was a boost in funds for our trip to Rockaway Beach, Missouri. We presented as our class play, "American Boy."

Baccalaureate services ware held May 10. As our Class Night Play we presented, "Garden of Memories." May 12th finally arrived and we filed in to receive those hard earned diplomas.

Then on May 17, we left for Missouri on the trip we had planned since the grades.

The school paper "The Pirate," is published monthly by members of the Typing 11 Class, with the exception of one edition in April published by members of the Typing 1. This gives the students practice in setting up newspaper copy. They learn the processes of cutting stencils and running the mimeograph.

All these publication are made possible through the help of the reporters from the different classes and also the special departments of the school

HISTORY '51-'52

At the beginning of school there were many weird noises coming from the band room. Some of us had pratically forgotten how to play our instruments during the summer. But before long we began to make sounds, that, unless one was listening carefully, might mistake for music.

Then basketball season rolled around and we were seen and heard blowing our brains out on our school song. In September, we loaded a bus and headed for Perry where we marched in the Cherokee Strip Parade. We were awarded twenty five dollars for this performance. During the month of December, our picture appeared in the Stillwater paper announcing the Christmas Parade in which we were to participate. It' was a cold day and our fingers were so stiff we could hardly play our horns, but when we saw Santa Claus in the parade it cheered us up somewhat. We journeyed to Perkins during January where we practiced all day and gave a concert that night along with seven other bands. In the Spring, we went to the Pawnee Parade. We received third in concert there. Our band played for the Ice Cream Social for the basketball players on April 15. We won second at the District Elimination Contest. Then we set our goal a little higher and entered the State Contest at Norman. We took top honors there besides receiving very nice criticism sheets from the three judges. The final event was when we won a Superior rating at Tri-State.

The year was over and we felt that we had had a very prosperous one. Besides having a successful year we also had an enjoyable one.

ACTIVITIES

The Junior Band spends most of its time and energy on the fundamentals of music rather than preparing for programs. However, they do play in public occasionally. They played for the Christmas program and for an assembly program. They also marched with the High School Band in the Christmas Parade at Stillwater and at the Band Night at Guthrie. They may march with the High School Band in the 89'er Parade at Guthrie this spring.

This band has made a fine start and promises to live up to the standards now being set for them by the "big band."

DISTRICT CHAMPIONS

The Pirettes have not had what you might call a successful season, if you are thinking of games won and lost. In playing one of the roughest schedules in many years, this years team seldom had a breathing spell.

Playing for the second year in the tough Kilo Conference and the 89er Conference, the Pirettes met several teams that were later destined to become champions of their respective districts.

This years Pirettes team should be highly commended for its splendid team spirit and determination in face of, sometimes, overwhelming odds.

Since nine of the fourteen girls on this years traveling squad were either freshman or sophomores, the future appears to hold a better than average team in store for Mulhall High School next year.

The Boy's Basketball teams have done fairly well this year. From a total of thirty-three games, they have won sixteen and lost seventeen. They competed in three tournaments and won consolation in the Kilo Conference tournament.

Some of the boys who played in most of the games are Daney Spaulding, Donald Detwiler, Jack Gannaway, Leon Clark, Joe Hogan, Bob Ryan, Dean Schmiedbauer, and Herman Flasch.

These girls have done very well this year as far as wins and loses are concerne . Some of them have even done well enough to get a suit on the high school team. We hope they do as well when the high school team is made up entirely of these girls.

Junior High

Back Row: Charles Gorrell, Roy Towle, James Fagan, Royce Hall, Marion Detwiler, Glenn Silvers, and Bill Simpson.

Front Row: Roy McNeill, Don Taylor, Allan Spaulding, Ted Taylor, Dale Fitzpatrick, Max Shafer, and James A. Stringer, Coach.

The Junior High Boys have done very well this season. They have played twelve games; winning seven while losing only three. They have also taken second honors in a Junior High Tournament at Cotteral.

We hope they can do as well in the years to come.

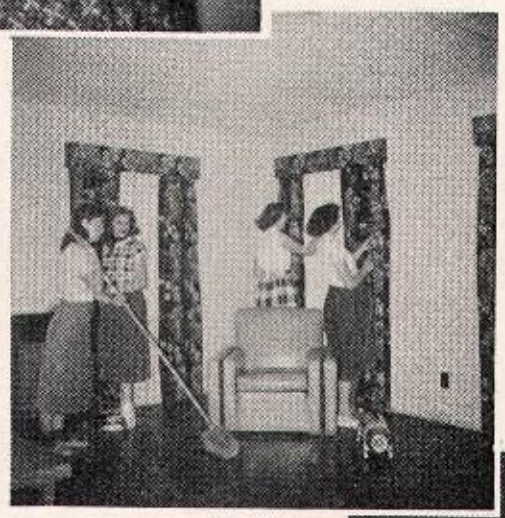
Wayne King has been very outstanding in 4-H work. He took 1st place on barley at Tulsa State Fair. His soil judging team placed first in Logan county, and eighth place in the National Soil Judging Contest held at Oklahoma City.

There are 60 members in the Mulhall 4-H organization.

Home Ec

Home Ec

The Home Ec. classes began the new school year with a new instructor, Miss Mary Ann Rezabek. Besides the regular class work of units in design, home improvement, personality development, tailoring, and clothing construction, during the first semester, the girls found time to exhibit their sewing and baking entries at the Milhall Community Fair. On December 12, they staged a style Show of articles made in the clothing classes. Immediately following the Style Show, the girls served sixty-five guests at a formal tea in the Home Ec. Cottage. Another interesting and profitable project for the girls was the painting of the scenery for the Christmas program.



Home Ec

Projects for the second semester consisted of a course in Theory, Dietetics and Nutrition, House planning, and interior decorating. Other extra projects were redecorating the cottage, and the decorating and serving the tables for the F. F. A. banquet. The girls gave a party for the First Grade. On April 1, the girls prepared and served an Easter Buffet luncheon to the Faculty. The girls had charge of decorating and arranging the tables for the Logan County Teachers' Banquet held in Mulhall, April 9. A thrilling reward for the girls was a trip to Oklahoma City to see a Professional Style Review. on April 20. The final crowning event of the year was the display of work at the annual school exhibition.

INDUSTRIAL ARTS

Industrial arts, taught by Mr. Jesse Stokes, has proven to be one of the most attractive and profitable subjects in school. The boys not only complete their own projects but also do repair work for their parents and others. They get additional experience by making pieces of furniture for faculty members who pay for all materials used. At the beginning of the year the boys made doors for the lockers in the dressing rooms in the gymnasium. They also help with stage construction when needed.

The following boys are the ones enrolled in their first year of shop: Leroy Andrews, Frank Betchum, Vernon Dixon, Robert Fagan, Harvey Ferguson, Wayne King, Johnnie Marion, Eddie Rothermel, Glen Shafer, Don Taylor, Dennis Uhrig, Harry Williams, and Ralph Yost.
